From Oct 4th-8th 2023, IDEA-member AAA Fabre Vieux – France, will host the IDEA Europe Meeting (IEM) at the Château Fabre Vieux. Parallel to the IDEA Europe Meeting we organize a Young IDEA Workshop: '**SITE-SPECIFIC 1M2**'. Graduating Theatre-students and young professionals can participate.

We have accommodations for 12 to 15 participants under the age of 30 years.

Site-Specific ONE SQUARE METRE

CALL FOR PARTICIPATION:

'The SQUARE METRE can be a beautiful symbol for how we as artists can give 'something' to our spectator, and contribute to a (better) world in an artistic way. This is not by climbing on barricades and revolutions and promoting theatre as a utopian universe that contains the truth, but by projects that relate to our daily lives.'

The participants of **SITE-SPECIFIC 1M2** will participate in some parts of the IEM-programme. Next to that they will work on the hill around Chateau Fabre Vieux in a theatrical way. They will explore this space by all senses: eyes, ears, tactile, taste, smell. They will choose some spots in the (outside) space which are challenging, strange or familiar, threatening or attractive to them. And explore the space together more in depth.

Inspired by their sensorial experiences, the specific characteristics of the chosen spots they will create some 'theatrical square metres'. They will create theatrical material leading to some performances (scene, song, poem, visual installation or combination). Each with a maximal duration of 5 minutes. The presentation of the performances is part of the Closing-Dinner of the IEM.
